

## Pallet Lifter Table

Pallet Lifter Table is a vertical lifting, indoor and outdoor wide use of high-altitude work special equipment. Can be widely used in equipment maintenance, station, wharf, bridge, hall, plant indoor and outdoor mechanical installation, equipment maintenance, building maintenance.

### 1. Introduction of the Pallet Lifter Table

- 1, easy lifting of heavy goods
- 2, light but strong structure
3. Two brakes enhance safety
4. European imported pumps
5. High-quality batteries
6. Automatic charger

### 2. Product Specification of the Pallet Lifter Table

Type	HG150	HG300	HG350	HG500
Load Capacity	150kg	300kg	350kg	500kg
Max.Height	720mm	900mm	1300mm	900mm
Min.Height	280mm	280mm	350mm	280mm
Table Dimension	815*500*50mm	815*500*50mm	910*500*50mm	910*500*50mm
Number of Foot Pedal Strokes to Reach Max.Height	≤20	≤30	≤40	≤30
Selt Weight	45kg	80kg	106kg	86kg

### **3.Pallet Lifter Table Feature And Application**

Pallet Lifter Table is novel in design, reasonable in structure and convenient in use. It is suitable for loading, unloading, handling and stacking of garden barrels in factories, workshops, warehouses and oil depots. Especially suitable for chemical, food workshop materials or ingredients, and can be used for weight loading and unloading, stacking car, cooperate with hydraulic cylinders in carrier operations, can greatly improve the work efficiency, reduce the labor intensity of workers, and also it can be adapted to loading and unloading, lifting heavy objects, is a new kind of ideal multipurpose landing handling machinery.

#### **Pallet Lifter Table**

Pallet Lifter Table has the following characteristics: suitable for long-distance transportation; Foot boards and protective devices can be added; Light weight, easy to pump; Unique casters design to ensure safety; Ergonomic handle design makes operator comfortable.

#### **Pallet Lifter Table**

The starting system of Pallet Lifter Table is divided into pedal and hand control, which is easy to operate. Models of fixed and mobile fork, ordinary leg and cross horse leg a variety of options. Very suitable for warehouse, supermarket retail goods display, and extraction.

### **4.Product Details of the Pallet Lifter Table**

Pallet lifter table is made of high strength steel, reasonable design structure, safe, stable and reliable, built-in safety valve, fully sealed cylinder, manual control hydraulic system lifting, easy to operate. Equipped with nylon guide wheel to save the operator's physical strength, and can protect the load wheel and tray load wheel. Unique hydraulic pump design, simple pump for assembly line loading and unloading operation to maintain an ideal height design; With unique ergonomic design, the operator is comfortable to operate.

## 5. Product Qualification

Shanghai Yiyong Crane Machinery Company is the hoist manufacturer Institute certified. This means we are one of the industry's leading suppliers of hoist equipment. We are reliable and deliver exceptional value.

Shanghai Yiyong Crane machinery Co., Ltd. supply 150-500kg Pallet Lifter Table. it is the most popular in Asia ,America and Canada ,It is beautiful ,strong and durable.we promise the Pallet Lifter Table warranty is 2 years. we really welcome the treaders around the world join in us .

## 6. Deliver,Shipping And Serving

Pre-sale Services : we have professional sales team as your guide to choose correct model and solve your problems timely, cooperated with engineering team、 technical department、 production

[www.hugoforklift.com](http://www.hugoforklift.com)

department、 administration department、 accountant department、 document department, working time is 7x24hours.

Sale services: one to one sales would in charge of all matters about your purchase order and would monitor shipping all the way till you got material, including proving documents , communicate with forwarder etc. Cooperated with production department、 technical department、 engineer department technical department、 packaging department、 logistic department to deal with related communications ensure your order would be proceed without any mistakes.

After-sale services : after-sales team will deal with all complaint from customers such as packaging ,quality ,shipping ,etc. We will surely exchange goods or make up lost if finally verify mistakes caused by our side, a promise is a promise !

## 7. FAQ

1. Is your products customized?

Yes. Due to different working conditions, all Pallet Lifter Table are customized, depending on specific requirements, so if you can provide more information, we can prepare accurate solutions for you.

2. What information should I provide in my inquiry?

The more information you provide, the more accurate solutions will be ready for you! Information such as lifting height, lifting capacity, pump supply or other special equipment you provide will be very useful.

3. How many operations have I chosen?

The standard configuration we provide is a manual type, and we can also provide a electric type.

4. My workshop space is limited. Can I use it?

Yes, we have special Pallet Lifter Table. Our engineers will design the details for you.
